Lavinia Borcau Skin Care

With the most advanced professional skin-care degree in the world, from CIDESCO International in Switzerland, Lavinia Borcau has made skin care a science that is as much about health as it is about beauty. Offering an array of facials for all skin types, Borcau soothes and cleanses the face. There are treatments for improving acne-prone skin, reducing signs of aging and rejuvenating damaged skin, along with heavenly face massages. Best of all, the atmosphere is wonderfully relaxing and attitude-free.
